NEW LOCATION FOR THE SECTORIAL COMMITTEE

The onset of the new year has meant a move for the Sectorial Committee team! We are still at 271 rue de l'Estuaire, in Québec City, but are now sharing the offices of the St. Lawrence Economic Development Council (SODES) and St. Lawrence Shipoperators (SLS). This new cohabitation will promote collaboration, mutual assistance and information-sharing that will benefit the Québec maritime industry as a whole. Note that we had temporary server and telephone system problems in December. Please contact us again if we failed to call you back. You can write to us at maritime@csmoim.qc.ca.

Our mailing address remains the same: 271, rue de l'Estuaire, Québec (Québec) G1K 8S8.
