

# JOB OFFERER

For nearly 30 years, **Groupe NEAS** has distinguished itself by contributing to the sustainable economic development of populations and communities in the Canadian North. The company provides specialized maritime services, relying on its fleet of vessels, a strong freight service offering, and a team of over 300 highly skilled professionals dedicated to customer satisfaction.

## Captain – Arctic Navigation

**Experience the Canadian Arctic like never before!**

NEAS is seeking a passionate and experienced Captain to lead our vessels through the challenging and breathtaking waters of the Canadian Arctic. On board, you will be responsible for crew safety, cargo management, regulatory compliance, and the overall success of operations—while living a truly unique maritime adventure.

### What we're looking for

- Valid Captain's license and solid navigation experience
- Advanced Polar Waters Training Certificate for ship personnel
- Experience in polar navigation: a major asset
- Natural leadership, sound judgment, and calm under pressure
- Functional French and English skills

### What we offer

- Seasonal full-time position: June to November, 3 voyages per season
- Unique missions in the Arctic, offering both professional challenge and adventure
- Stimulating and collaborative work environment
- Opportunities for professional development and contribution to process improvements
- Direct impact on the performance of our fleet and Arctic operations

### Why join NEAS?

At NEAS, every voyage is an adventure. You will navigate spectacular landscapes, lead a dedicated team, and play a key role in safe and responsible Arctic operations. This is your chance to combine leadership, maritime expertise, and a passion for the Arctic.

### Ready to take the challenge?
