- One (1) year of experience in ship maneuvers
- Three (3) years of experience as a Chief Officer (asset)
- Organizational and leadership skills
- Languages: advanced level in French and intermediate level in English, spoken and written.

## COMPANY DESCRIPTION

Founded in 1972, Ocean Group is a thriving, inspiring company with the wind in its sails! As a leader in the Canadian maritime industry, our success is based on our ability to innovate, our determination to keep moving forward, and the diversity of our services. Whether it is harbor towage, marine work, construction, or ship repair, we take great pride in the accomplishments of our specialized workforce. Within our various teams, we find dynamic and passionate employees who are driven by a willingness to make a difference. We promote a healthy, safe, and environmentally responsible work environment that reflects our values of excellence, integrity, and respect.
